GENERAL NOTES

- Aerospace Summer Games Website: <https://aerospacesummernames.com/>
 - Please reference this website for the most up-to-date event information!
- WhatsApp for Event Discussion: <https://chat.whatsapp.com/FnVSaFMdsPg2ZkEU2HAvUd>
- **Try your hardest!**
 - Participants are **required** to give their honest best effort while competing in the games. This means a company cannot intentionally try to place second or third by purposely losing event(s). Any company found to be in violation of this policy (at the determination of the tournament director) may be banned from participating the following year.
- Please bring a reusable water bottle!
 - We are looking to make ASC 2026 as green as possible! There will be water filling stations available!
 - Please feel free to bring your own snacks/beverages.
- Event Rules:
 - No alcohol
 - No animals (except Service Animals, as defined by the [ADA](#))
 - No drugs
 - No weapons
 - No cleats with metal spikes
 - No cleats on the track
 - Athletes: please bring a change of shoes for the group picture in the stadium, if you are wearing cleats while competing.
 - **DO NOT TAKE ITEMS FROM COMPANY TENTS WITHOUT APPROVAL!**
 - Individuals caught taking shirts/food/other items from company tents without permission may result in repercussions taken against their company and affect their ability to participate in future Games.
 - Clean up after yourselves! We will have janitorial support, but we are also encouraging companies to clean up after themselves with their own trash bags throughout the day.
- **No single-gendered teams allowed***. See below.
- Have fun!!!

NOTE ON TEAM GENDER DISTRIBUTIONS

The Aerospace Summer Games is an inclusive and equitable event designed to promote participation from a wide range of individuals. In that regard, all activities will be required to maintain a fair gender distribution on competing teams. No all-gender teams will be permitted*, with the exception of Executive Golf, and individual sports may impose additional gender balance guidelines as deemed necessary by the Aerospace Summer Games Committee. Please read the rules of each activity carefully, as gender policies may have changed from previous years.

**Note specific guidelines for two-player sports such as cornhole, water ball toss, and pickleball.*

KIDS CORNER

Northrop Grumman is proud to coordinate the effort to provide a Kids Corner. This will be a designated area where children (ages 3-17) are able to come hang out, partake in STEM activities, play fun games, and more!

Please note that this is *not* a daycare, and children will need to be supervised by a parent or guardian while at the Kids Corner.

EVENT PHOTOGRAPHY

Photography will take place during the event, including aerial and drone shots. By attending and participating in the Aerospace Summer Games, you are consenting to being photographed and waive all rights to compensation or approval of said photographs. Pictures may be used by the ASG Committee, attending companies, or media organizations to promote the event and its activities.

Note that this also includes activities hosted by the Kids Corner. An earnest effort will be made to avoid direct face pictures of any minors, but guarantees cannot be provided. Kids Corner is an **optional** service provided by the Aerospace Summer Games Committee and Northrop Grumman, so by utilizing this service you are agreeing to potential photography.

Guests and attendees are welcome to take their own picture of the event, their company, sporting competitions, etc., however they are **not** allowed to bring their own drones unless coordinated with the ASG committee ahead of time.

Attendees are invited to upload any pictures taken at the event to the shared Google Photo album [here](#).

PRE-ASG BONFIRE

In an effort to maintain the beach venue heritage of the Games, there will be an ASG Kickoff Bonfire the night before the Games (7/10/26) at Dockweiler Beach. All employees, along with their family and friends, are encouraged to join us for a night of food, fun, and friendly competitions as we kick off the ASG weekend!

The poster features a background image of a beach with waves. At the top right is a cartoon astronaut holding a sign that says 'Aerospace Summer Games'. The main title '2026 ASG KICKOFF BONFIRE' is in large blue serif font. Below it, the words 'FAMILY', 'FRIENDS', 'FOOD', and 'FUN' are separated by blue stars. The date 'JULY 10TH, 2026' is in a bold, italicized blue font. The text describes the event as a night of sunset views, a beach bonfire, and a s'mores station, with casual sand sports, pizza, and water provided. The location is Dockweiler Beach, between lifeguard stands 57-58, from 6-9 PM, at 12505 Vista del Mar, Playa del Rey, CA 90293. A QR code is provided for sign-up, with a blue arrow pointing to it from the text 'Scan to Sign up!'. A cartoon bonfire is at the bottom right. The footer includes a URL, contact information for Dallas Peterson, and the Beacon Hill Government Services logo with the tagline 'Experts at Work'.

ASG KICKOFF BONFIRE

FAMILY ★ FRIENDS ★ FOOD ★ FUN

JULY 10TH, 2026

Help us kick off the Aerospace Summer Games weekend!
Companies competing in the 2026 Games are invited to join us at Dockweiler Beach for a night of **sunset views, a beach bonfire, and a s'mores station.**
Enjoy casual sand sports, connect with colleagues, and grab pizza and water provided onsite. We hope to see you there!

COMPANY ATTENDANCE PRINCIPLES

The Aerospace Summer Games has expanded significantly since its flagship competition in 2002, and it's amazing to see the growth throughout the years. However, it has gotten too expensive for a single host company to cover financially, which can prohibit competitors from giving their maximum effort in an attempt to prevent their company from being stuck with the planning responsibilities and bills the following year.

It was never the intent to make these Games cost-prohibitive to any company. The goal is to keep ASG fun and affordable for all! In light of these principles, the bulk of the costs to host the Games will now be equally distributed among all participating companies. Beginning 2024, all companies that wish to participate are required to pay an entrance fee. The fee will be the total cost to host the Games at the selected location, divided evenly.

These Games are run on good faith. Once officially notifying the host company of your intent to participate (i.e., opting in), your company is financially liable for your entrance fee – regardless of your actual participation extent on the day of ASG. Should your company need to withdraw their attendance after official sign-ups have closed, you will still be responsible for paying the entrance fee. **If the invoice cannot be paid, this will impact your ability to participate in future years.**

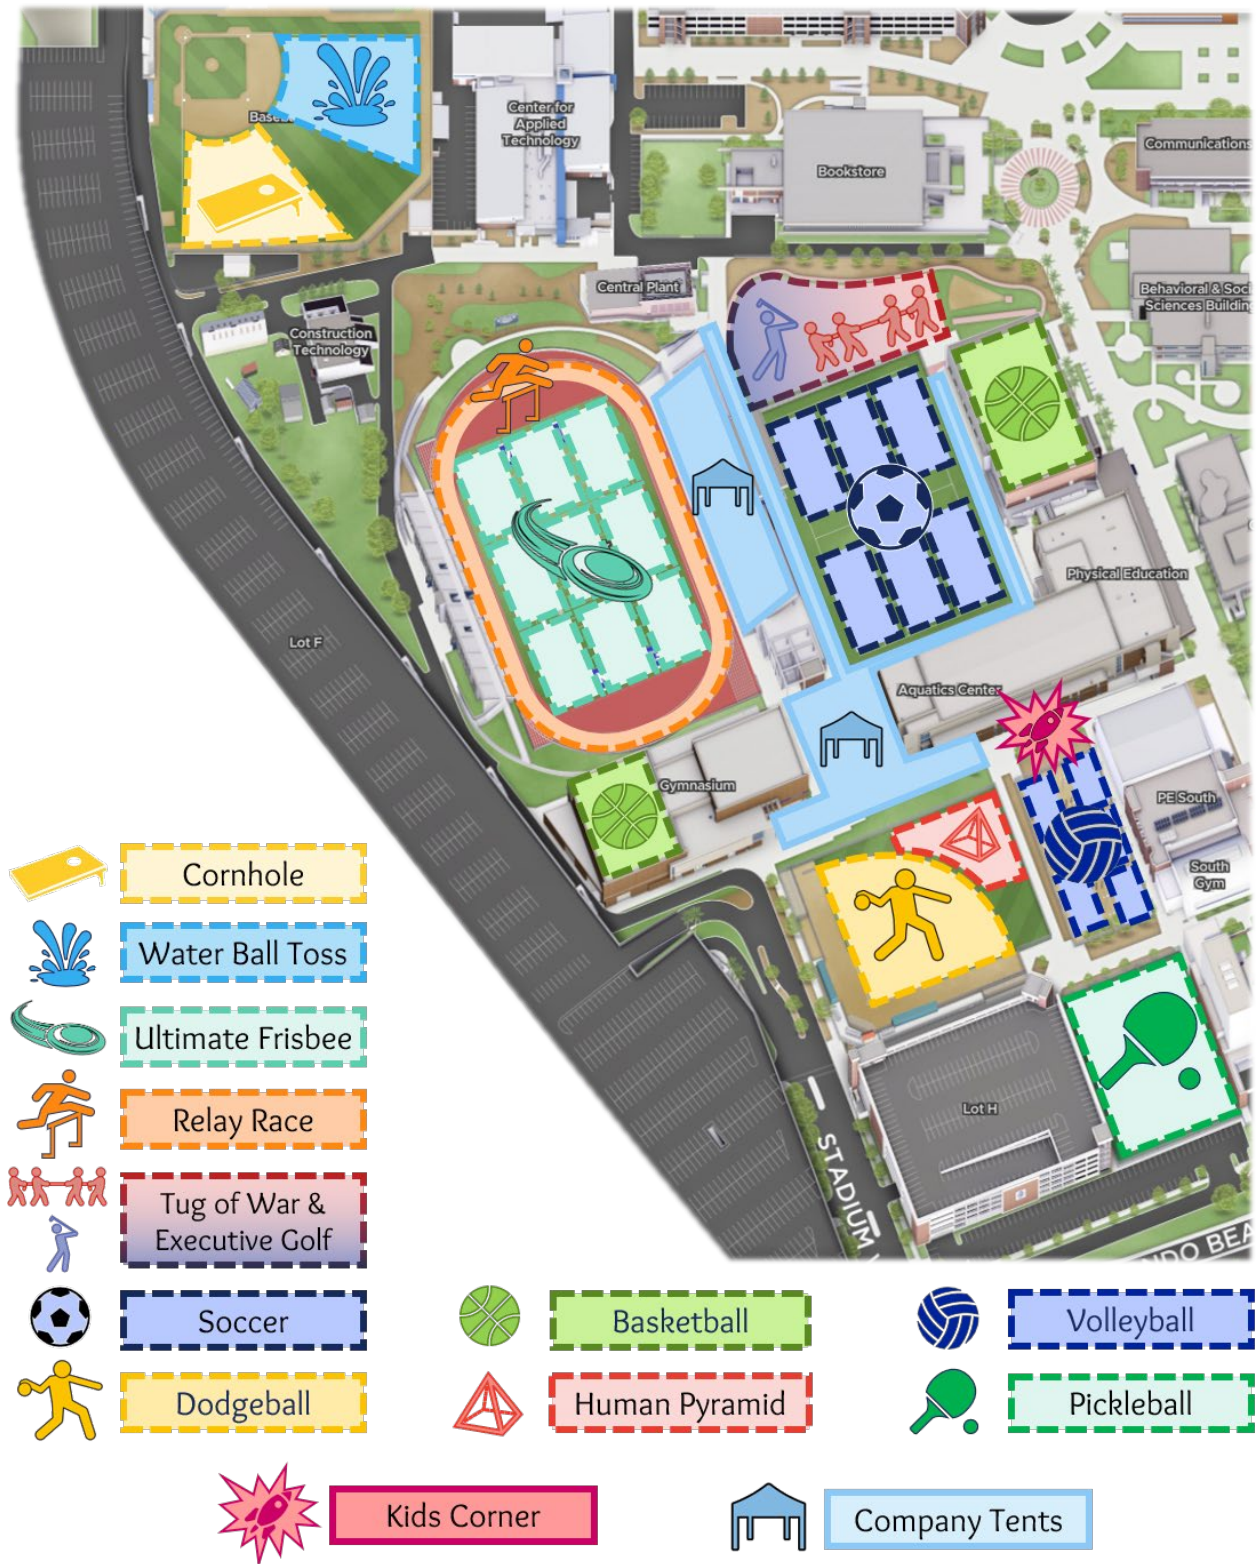

For the sake of all companies, organizers, players, and attendees, please be a good neighbor and respect the commitment that is made when you register to participate!

Please note that shirt colors are to be used for reference only and are subject to change on the day of the games. This table is just to be used as a guideline in helping people identify their company's players throughout the day.

SITE LAYOUT

TENT LAYOUT

Note: Any tents placed on the bleachers of the stadium are REQUIRED to be weighted/tied down!

EVENT SERVICE LOCATIONS

Note: Service Locations are subject to change on the day of the event.

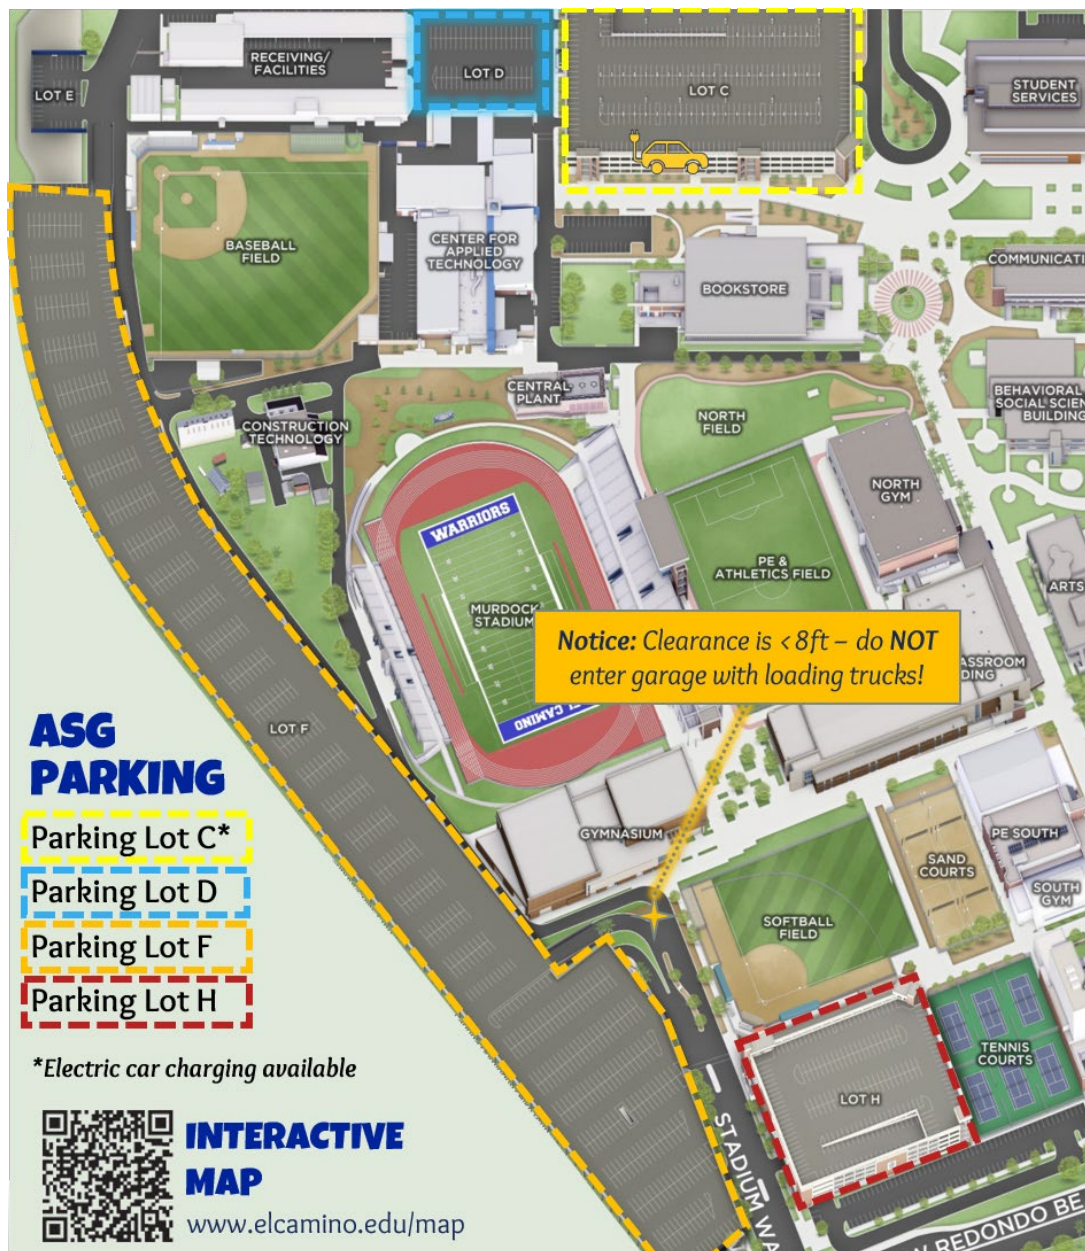

PARKING

El Camino College is setting aside three parking structures (at least two levels each) for ASG: lots C, F, and H, along with surface lot D (highlighted on the map below). However, carpooling is highly encouraged, and we recommend arriving at least 30 minutes early to allow ample time for parking and walking. **Box trucks and oversize vehicles may park in surface lot D or the second story of structure F.**

Parking in these three lots is free for the day – you may ignore any signage that says otherwise!

Note that clearance to the Lot F garage entrance is less than 8ft – please do not try to enter with any oversize vehicles. Shipping trucks may park and unload along Stadium Way or in the surface parking behind Lot H off W Redondo Beach Blvd.

EVENT SCHEDULE

6:00 AM	Company & Tent Set Up						
6:30 AM	Check In			Cornhole Board Drop Off

16: Edboy's Fried Chicken n Things	17: ManEatingPlant	18: Flaming Grain

For menus and more information on each truck, please visit [our website!](#)

SHIRT SWAPPING

Have extra ASG shirts that you'd like to share? Love another company's shirt design? This year, we are excited to coordinate an official shirt swap area for all ASG participants!

GENERAL GUIDELINES

- Attendees are in no way required to participate in the shirt swap.
- The shirt swap will take place during the lunch hour, directly after the group picture in the stadium (around 12:15 PM).
 - Please exit the stadium area immediately after the group picture so that Ultimate Frisbee can continue their matches.
- Employees/companies wanting to participate should bring their shirts to the swapping station located in the bleachers, directly in front of the main staircase (see below).
 - Please make an effort not to impede the non-profit organizations that will be tabling near the shirt swap area.
- Shirts that are not brought to this area are **NOT** eligible for swapping – **DO NOT TAKE SHIRTS FROM COMPANY TENTS!!!**
- Shirts should be swapped at a 1:1 agreement, unless an alternative arrangement is agreed upon by both parties.

EVENT LEADS & SCORING

EVENT COORDINATORS

Event	Coordinating Company

Food Drive	15	10	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5

NOTES

1. If a company has multiple teams competing in the same event, only the highest-ranking team will score points.
2. All ties are scored by averaging. For example, a 3-way tie for 5th will result in each team receiving $(32+30+28)/3$ points.
3. Companies who sign up for **bracketed games** and do not show up or have enough players will be deducted 10 points per competition in which this rule is violated. The deduction will be added to the company's cumulative score. Games are Volleyball, Soccer, Dodgeball, Tug of War, and Frisbee.
4. **The winning team of an event will always be awarded 40 points.** If there are more than 20 teams participating in an event, the 20th and subsequently placed teams will all be awarded 2 points each. This rule applies to all events except for the Food Drive and Executive Golf.

LIVE SCORING

Scorekeeping will be done primarily through the new Aerospace Summer Games app, both for individual sport standings and overall ASC score. Only official scorekeeping volunteers will be allowed to input scores into the app, but all will be able to view it. If a team wishes to contest a score, the team is encouraged to take it up with the company organizing that event. The organizing company is to report any valid discrepancies to the scorekeeping volunteers.

The event app can be accessed through this website: <https://asg-app-1.onrender.com>

Note: Users can open the app in Safari, click the ‘menu’ icon in the upper right corner, then click ‘Install App’ to add the application to their phone’s home screen.

COMPETITION RULES & REGULATIONS

GENERAL RULES

1. Behave respectfully and courteously in the spirit of fair play towards teammates, opponents, and spectators.
2. Refrain from actions aimed at delaying the game or taking unfair advantage.
3. Do not make derogatory remarks about or to opponents or spectators.
4. Refrain from the use of profanity.
5. Players must refrain from intentionally trying to distract an opponent who is playing.
6. Players may not commit any act which delays the game unnecessarily.
7. Players must not intentionally damage tournament equipment.
8. Physical assault or intimidation of opponents or spectators by players is prohibited.
9. No alcohol, drugs, drug paraphernalia, or weapons permitted.
10. No pets permitted – leave your fur children at home!
11. Keep the campus clean! *All attendees and participating companies must clean up after themselves before leaving the games.*
12. Trash drop-off location is available on maps above. All companies are responsible for placing their trash bags at the appropriate location or disposing of trash in appropriate dumpsters.

DIRECTOR AUTHORITY

The tournament director is the newly founded Aerospace Summer Games 501(c)(3) organization. This group will organize, plan, and facilitate ASG, but ***will NOT*** be financially obligated to fund the entire event. Instead, event costs will be split among all participating companies to encourage all competitors to give their maximum effort while playing.

The tournament director has the authority to alter rules and make decisions not covered in the rules. If the tournament director does alter the rules, they must advise the participants of those changes prior to the start of the event. The tournament director has absolute authority over players, game officials and spectators, on and off the court at a tournament, where the maintenance of order is concerned, and may impose disciplinary measures as needed. The tournament director has the authority to settle all disputes. The tournament director is the sole authority who determines if weather conditions warrant a suspension or cancellation of play. The tournament director is the final authority in determining if courts are safe and playable.

CLOTHING

A player's clothing must be presentable and appropriate for the competition. Players on the same team are permitted and encouraged to wear the clothing representing their respective companies. Players may wear hats, visors, or sunglasses at their own risk. For sand sports, players may play barefoot, in socks, or in sand socks. All grass sports (with the exception of human pyramid) are required to be played with close-toe shoes on – **NO BAREFOOT PLAYING ALLOWED** and **NO METAL CLEATS**.
